

NT-W200 SmartWatch

User Manual v1.5 | NextTech Co., Ltd.

1. Product Overview

The NT-W200 is a premium smartwatch combining health monitoring, fitness tracking, and smart notifications in a sleek 44mm aluminum case. Featuring a 1.9-inch AMOLED display with always-on capability and up to 7 days battery life.

Key Specifications

- Display: 1.9-inch AMOLED, 410x502 resolution
- Case: 44mm aluminum with sapphire crystal glass
- Battery: 420mAh, up to 7 days typical use
- Water resistance: 5ATM (50 meters)
- Sensors: Heart rate, SpO2, ECG, skin temperature, accelerometer, gyroscope
- Connectivity: Bluetooth 5.3, Wi-Fi 802.11 b/g/n, NFC

2. Getting Started

2.1 Charging

Attach the magnetic charging cable to the back of the watch. A full charge takes approximately 90 minutes. The watch will display a charging animation when connected. Avoid charging in temperatures below 0C or above 45C.

2.2 Pairing with Smartphone

1. Power on the watch by pressing the side button for 3 seconds.
2. Install the NextTech Fit app on your smartphone.
3. Open the app and tap 'Pair New Device'.
4. Select 'NT-W200' from the device list.
5. Confirm the pairing code displayed on both devices.

3. Health & Fitness Features

3.1 Heart Rate Monitoring

The NT-W200 continuously monitors your heart rate 24/7. For accurate readings, wear the watch snugly on your wrist, about 1-2 finger widths above the wrist bone. High heart rate alerts can be configured in the app (default: 150 BPM).

3.2 Sleep Tracking

Wear the watch while sleeping to track sleep stages (light, deep, REM). Sleep data is synced to the app each morning. For best accuracy, enable Auto Sleep Detection in Settings > Health > Sleep.

3.3 Workout Modes

- Running, Walking, Cycling, Swimming
- HIIT, Yoga, Strength Training

- Golf, Tennis, Basketball
- Custom workout mode available

4. Troubleshooting

Watch not syncing with app

Ensure Bluetooth is enabled on your smartphone. Try toggling Bluetooth off and on. If the issue persists, forget the device in Bluetooth settings and re-pair. Make sure the NextTech Fit app has location permissions enabled.
